

\_Vertex

```
graph BT; _Mesh -- vertices --> _Vertex
```

The diagram illustrates a pointer relationship between two classes. At the top is a white rectangular box with a black border containing the text "\_Vertex". At the bottom is a gray rectangular box with a black border containing the text "\_Mesh". A vertical dashed purple line connects the two boxes, with a solid purple arrowhead pointing upwards from the "\_Mesh" box to the "\_Vertex" box. To the right of the dashed line, the word "vertices" is written in black text.
